

---

“We appreciate all your hard work on our case. You and your staff made an extremely uncomfortable situation tolerable. We appreciate the fact that you were very professional at the Trustee Meeting and had all our ducks in a row.”

---

“I want to thank you for handling my case. You made me feel comfortable through the entire bankruptcy process and your patience was appreciated. I hope you receive many awards because you are the best!”

---

“Thank you for the way my case was handled. What could have been a very humiliating experience wasn’t nearly as painful or emotional as I expected! Thank you and your staff for making it a “pleasant” experience.”

---

“Thank you for volunteering your services and the services of your law firm as substitute counsel for several Chapter 7 and Chapter 13 debtors.”

---

“We want to thank you for all you have done for us recently during our bankruptcy proceeding. Your wise counsel helped us navigate through the most trying and difficult times we have ever been through. We never expected to see ourselves going through times like this and the emotional difficulty of losing a job, losing one’s means of support, and being in such financial hardship is, as you know, at times seemingly unbearable. But we were able to find our way through all this with your wonderful counsel and support. We thank you for all your help.”

---

“Thank you so much for your patience and understanding. You have made this process “easier” for me and my brain space.”

---

“We really appreciate all of your help on this. We are very impressed with your organization, knowledge, and helpfulness. We have already referred you to another person. Thanks again!”

---

“Thank you for all your help. You all are so nice to use and quick to help. We appreciate each and everyone of you.”

---

---

“We believe you did a great job with our situation and we are eternally grateful for your help.”

---

“Thank you so much for all your help in our bankruptcy. You were fantastic. I am so glad we chose you”

---

“It has been a pleasure working with you. I will be in touch again if we have any cases in the future. You are good, efficient and never kept me waiting.”

---

“Thanks, Mark. I feel you are top notch, smart, thorough, and strategic.”
